Memorandum of Understanding for Academic and Industry Institute Interaction Between

Nashik Gramin Shikshan Prasarak Mandal's

Brahma Valley College of Engineering & Research Institute,

Anjaneri, Nashik

And

VRYSM SOLUTIONS PVT. LTD. AMBAD, NASHIK

This Memorandum of Understanding (MOU) is entered into on this Thursday of 20/09/2021, by and

between "Nashik Gramin Shikshan Prasarak Mandal's Brahma Valley College of Engineering & Research Institute, Anjaneri, Nashik (hereinafter referred as BVCOE&RI) and VRYSM SOLUTIONS PVT. LTD. AMBAD, NASHIK.

(hereinafter referred as VRYSMS)

BVCOE&RI and VRYSMS agree that cooperation in Industry Institute Interaction, Certification Training, Internship, Final Placement and student and faculty exchanges would be mutually beneficial. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each institution. Such interaction may include cooperation in a variety of joint academic and educational activity such as:

- 1) Internship and Final placements
- 2) Certification Training
- 3) Webinar, Guest lecturer and workshops
- 4) FDP (Faculty Development Programme)
- 5) Industrial Visits
- 6) Consultancy work on industry projects
- 7) Center of Excellence

WHIEREAS BVCOE&RI is a leading educational institution in the field of Technical Education. AND WHIEREAS VRYSMS Is Indian based is a leading company that has made a name itself in the list of top suppliers

of LED butbs i VRYSMS is desirous to collaborate with BVCOE&RI for conducting Seminar, Workshop, Guest Lectures, Webinars and providing certification training, internship and placement opportunities to BVCOE&RI students which shall be subject to the availability of vacancies.

AND WHEREAS BVCOE&RI has agreed for such collaboration.

AND NOW THEREFORE, VRYSMS and BVCOE&RI,

In consideration of the mutual representations, warranties and covenants contained herein, and subject to the terms and conditions set forth in this MOU, and intending to be legally bound, hereby agree as follows:

1. DURATION

This MOU shall be valid for a term of Five (5) year from the effective date and shall be renewed for such further period as may be decided mutually by both the parties.

2. OBJECTIVES:

BVCOE&RI AND **VRYSMS** will supplement and complement each other in the areas of mutual benefits for the expertise of students and corresponding need of **VRYSMS**

- 1) To provide Internship opportunities and Final placements for students
- 2) To Provide certification Training
- 3) To design & implement Industry specific course
- 4) Conduct Webinar, Guest lecturer and workshop as per availability
- 5) Conduct FDP
- 6) Helps with Industrial Visits (if possible)

3. COMMERCIALS:

The Commercials will be discussed and finalized separately and would be documented through raising necessary PO and Invoice on the other party

Deliverables from VRYSMS:

VRYSMS is an Indian based leading industrial automation solution with maximum result & minimum efforts in every industrial domain to achieve best quality products with enhanced production.

VRYSMS is pleased to offer internship program with your esteemed College BVCOE&RI & provide a career building opportunity.

VRYSMS will prepare students to be a well-developed R&D set up primarily focused on innovation studies to develop new, efficient & safer processes, value added products, technology development, industrial automation provider, with expentisse im PLC, SCADA, VFD & HMI.

VRYSMS may use the name of the institute on their website for institute Campaigns and photographs of the institute Campaign may be uploaded on the website.

VRYSMS will provide Internship and Certification Training in following domains:

- R&D Technologies
- Innovative studies
- Technology developments

Apart from this,

- VRYSMS will provide sponsored FDP/workshop in every semester.
- Encourage & support faculties, students for R&D activities and IPR.
- Placement Opportunities will be given to deserving candidates. Also, students who enroll for Training & Internship Program will get placement assistance and consultations.
- Consultancy work will be done by both the parties & the consultancy amount will be paid to the concerned faculty or institute for their valuable contribution in company projects.

All above mentioned things will be implemented under Center of Excellence

5. Deliverables from BVCOE&RI:

BVCOE&RI has to ensure availability of following infrastructure requirements.

- A properly closed computer lab in college with basic computer facilities, with a capacity of at least 30 seats where students can attend the deliverables/sessions with permission from college authorities.
- The venue must be available to use for time slot communicated and agreed by both parties
- The college students will be informed in advance about the e-mail and publicity posters.
- The institute has to ensure availability of following organizational requirements in their college.
- i) One Faculty In charge
- ii) 4 student volunteers from each class/ branch of Engineering
- iii) Wi-Fi facility during the sessions
- iv) Computers/PC's with pre-installed tools and software as requested by VRYSMS

6. CONFIDENTIALITY:

Both the parties may receive information proprietary to other party (the "Confidential Information") in the course of performance of their obligations under this MOU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by the parties from third parties without accompanying secrecy obligations; (c) is already in either party's possession and was lawfully received from sources other than the parties or (d) is independently developed by the parties. The two bodies understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will at all times be kept in trust, to be disclosed only to such persons on a "need to know basis" the same for the effective implementation of this MOU and that it will only be used by the parties for the benefit of others.

Both the parties understand and agree that all written or other tangible data and documentation developed or procured by the other party in performing its obligations under this MOU, whether in printed or electronic form, belongs to other party and that other party will have all rights, title and interest therein.

Both parties shall not use the name and brand of the other party in any advertisement or make any public announcement without the prior written approval of the other.

7. CO-ORDINATION:

Both the parties shall appoint one person as one point of contact/Co-Ordinator for smooth execution of the MOU.

. BVCOE&RI has nominated the following person as its Co-coordinator:

Prof. Ikramuddin Shaikh (Nodal officer, BVCOE&RI)

Persons Name and Designation

To, The Principal Brahma Valley College of Engineering & Research Institute, Nashik

Subject: Proposal to get permission to conduct the Guest Lecture on 'Automatic Power Factor Control Panels'.

Respected sir,

It is our privilage to inform you that we Electrical Department is planning to conduct Guest Lecture on 'Automatic Power Factor Control Panels' for our Electrical Engineering students.

It will be more helpful to the students in practical point of view. In this regard we are requesting your permission for further proceedings.

Thanking You.

Invitation Letter

To,

Mr. Mahesh Gholap,

VRYSM Solutions.

Nashik.

Subject: Invitation for Guest Lecture on 'Automatic Power Factor Control Panels'.

Respected sir.

On behalf of Brahma Valley College of Engineering & Reasearch Institute, Nashik, we are very pleased to have the honor of inviting you to conduct Guest Lecture at our institute. We would like you to speak on 'Automatic Power Factor Control Panels'. The main purpose of this lecture is the automatic power factor compensation is to help correcting the excess reactive power generate by inductive loads in the industry. With an efficient use of this device, the industry can improves efficiency of the system by reducing losses and reduced apparent power demand charges.

We have arranged the Guest Lecture on 08/12/22 at 1:00pm. We are expecting an audience of approximately 140 graduate students and faculty from the Electrical Enginnering Department.

We request you to kindly accept the invitation.

Thanking You

Letter of Thanks

To,

Mr. Mahesh Gholap,

VRYSM Solutions.

Nashik.

Dear Sir.

On behalf of Department of Electrical Engineering, Brahma Valley College of Engineering & Research Institute, Nashik, we would like to extend our heartiest thanks for accepting our invitation for Guest Lecture and addressing our students on 08/12/22. Your Guest Lecture on 'Automatic Power Factor Control Panels' will be helpful to our students.

Thank you for your motivation and benefitted valuable guidance. We are expecting similar kind of cooperation in future.

Sincerely,

Electrical Engineering

ACTIVITY REPORT

Sr. No	Description	A.Y. 2021-22
1	Title of Activity	Automatic Power Factor Control Panels
2	Date & Venue	08/12/22, BVCOE & RI
3	Outcomes of Activity	Firstly, it improves electrical efficiency by reducing the amount of reactive power consumed by the system. This results in significant energy savings and lower electricity bills. Secondly, APFC improves voltage regulation by stabilizing the supply voltage and reducing the likelihood of voltage fluctuations.
	Objective	. The main purpose of automatic power factor compensation is to help correcting the excess reactive power generate by inductive loads in the industry. With an efficient use of this device, the industry can improves efficiency of the system by reducing losses and reduced apparent power demand charges.
	Assessment of activity Outcome	Very useful and helpful
	Feedback	Satisfied
	Number of Participants	140
